Dear Friends,

I am writing this letter on behalf of the Friday Harbor Kiwanis Club asking for your support for our annual fundraising event, the 4th of July Pig War Picnic, now held at the San Juan County Fairgrounds. This special event is much more than a holiday celebration; it is an opportunity to come together as a community to support our local youth and special projects.

Let's face it--kids need us! Our Kiwanis Club members make a positive difference in the lives of children by providing them with the support needed to succeed and thrive, and that is why we are reaching out to you.

We are committed to building this event into an even better experience. We are introducing an expanded venue with a greater variety of food, beverage options, music entertainers--and, of course, featuring our "pig-tacular" family-oriented activities. The 4th of July may seem like a long distance off, but now is the perfect time to consider your charitable giving for the year ahead. Your donation will help Kiwanis not only meet but exceed its goals of supporting even more Friday Harbor youth.

Thank you once again for considering this opportunity to sponsor the Friday Harbor Kiwanis Club's 4th of July Pig War Picnic. Your financial support helps out more than you can imagine for our island youth and our community.

Should you have any questions about our upcoming event, please feel free to reach out to me. For more information see our website at www.fridayharbor.org

With great appreciation,

Lisa Morlan, Club President

2025 KIWANIS 4th OF JULY PIG WAR PICNIC SPONSORSHIPS

We are so pleased you are considering sponsorship of this important annual event. Our goal is to raise sponsorship money to cover all costs, so that every penny received the day of the event can be returned to San Juan Island kids!

Our local Kiwanis club raises funds for high school scholarships for trade schools, community college and 4 year colleges. Our Christmas Toys for Tots program has been serving needy children on our island for many years. Elementary school teacher mini-grants, Griffin Bay School, Library Summer Reading Program and IMA Family Art Days show the diversity of our gifts. We also support the Knowledge Bowl, the Children's Festival, Touch a Truck, Halloween candy drive, Key Club, Island Rec and the Family Resource Center.
